

Non-Residential and Multi-Family* Development Review Process

Life. Well Crafted.

For questions about this process, please contact the Hickory Permit Center at (828) 323-7410

****What is a Complete Application Packet?**

A complete application must include the following:

- Commercial Zoning Application and Review Fee
- Commercial Grading Application (If Under an Acre) or Catawba County Erosion Control Permit (If One Acre or More)
- Catawba County Plan Review Application, Building Permit Applications, and Review Fees
- Health Department Applications (As Required)
- Printed Plan Sets (Contact Permit Center to Determine Number of Copies)
- Stormwater Submittals

****If the plans submitted do not adequately reflect the checklist requirements, they will be returned to the applicant without having a review conducted.**

***Multi-family development includes all construction of three (3) or more housing units (including townhomes).**
