

Viewmont Business Association announces Quarterly Business Meeting

HICKORY - The Viewmont Business Association (VBA) will hold its quarterly Business Meeting at Bistro 127 on Wednesday, November 18.

All Viewmont area business owners and managers, whether VBA members or not, are invited to attend this informative meeting. The program will begin at 5:30 p.m. with 30 minutes of networking, followed by a structured meeting. In roughly an hour, a summary of the VBA's recent activities will be presented by several Board Members.

Highlights of the agenda include review of the 2016 budget, a presentation by Catawba County Chamber of Commerce President Danny Hearn and an update on Hickory's CityScape planning from Brian Frazier, Hickory's Director of Planning & Development Services. The meeting will also include discussion regarding the history of the Viewmont Community, and a proposed annual Business Vendors Market.

The VBA was officially re-formed earlier this year to promote businesses in the Viewmont Community. All Viewmont Community businesses – restaurants, banks, churches, service providers, offices, retail stores and others – are eligible to join.

VBA dues are \$50/year and will be accepted at the meeting. All interested parties are invited to attend the November 18 meeting. Contact henry@morphislaw.com for more information.
