Please use the area below to draw a map showing the locations of the two hydrants to be tested. (Attach a separate sheet if needed.) Street names, buildings and any other pertinent information needs to be shown in order for us to locate the correct hydrants. You must indicate which hydrant to give static/residual results and which hydrant to give flow results. Failure to provide accurate and complete information will delay your request. Please contact the Hickory Fire Department Division of Fire and Life Safety at (828) 323-7522 for fee amount and payment.
