ADDENDUM NO. 2

Civitan Park – Site Improvements
City of Hickory Bid Number 23-009
January 26th, 2023

The information listed below revises, supersedes and clarifies the bid documents issued for this project. These items should be incorporated in their entirety into your final bids. Any questions regarding this addendum should be directed to Sam Abernethy, Civil Engineer, City of Hickory at (828) 323-7558.

1. **Sheet 1: Water Valve & Irrigation Control Relocation** – Allow for 15-foot displacement for each item. Currently, the drawings call for both the Water Valve and the Irrigation Control Box to be relocated and the placement to be determined. The intent of this label is to shift these items positions away from the proposed gravel service route while allowing some flexibility in placement based on the unearthened piping. For the purposes of this bid, please allow for 15-foot displacement. This addendum is now listed on Public Purchase section of our webpage at [Purchasing | City of Hickory \(hickorync.gov\)](#)

Please acknowledge receipt of this addendum along with its date on the bid form. Bids will not be accepted without acknowledgement.
