

VBA Announces February Meeting

The Viewmont Business Association will hold its first general business meeting of 2016 on Wednesday, February 17 at Fourk Restaurant. The meeting is open to VBA members and other community business owners and managers interested in the group's activities to promote commerce in Viewmont.

The meeting will begin at 5:30 with a half-hour of business-to-business networking, followed by the general business meeting. Included in the meeting agenda is approval of the year's budget and election of officers.

The VBA accomplishments during its formative year included writing and adopting operational bylaws, election of seven board members, introduction of a VBA logo, organization of the Viewmont Street Strut promotion, and December's Holiday Open House. Goals for 2016 include design and implementation of a VBA website and the introduction of a Viewmont Springtime promotional event.

The annual VBA membership fee remains \$50. Interested parties may join at the February 17 business meeting.
