

10TH ST BLVD NW @ 3RD AVE DR NW

OLD LENOIR WALK

FUTURE MULTIUSE PATH CROSSING

Before and After Views Looking South on Old Lenoir Road Towards Downtown Hickory

What You Can Expect

- 1 Flashing Lights to Warn Traffic to Yield to Multiuse Path Users - Lights Only Flash When Crossing is In Use.
- 2 Decorative Crosswalk Improves Visibility of Crosswalk for Approaching Drivers.
- 3 Median Island Provides Pedestrian Refuge and Reduces Exposure to Traffic.
- 4 Advanced Yield Sign/Markings Help Traffic Know Where to Stop So Both Lanes of Traffic Can See Crosswalk Users.
- 5 Advanced Flashing Lights Alert Drivers Approaching When the Crosswalk is in Use.
