

Wireless Printing Steps: Android

1

Download the Smart Alec app from the Google Play Store

2

Log in using your library card number and PIN

3

Verify your information is correct and click "Close"

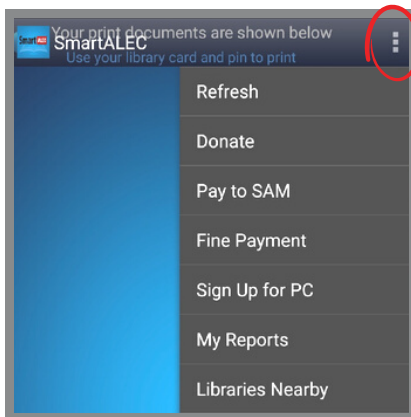

4

On the welcome screen click "Enable Smart Alec"

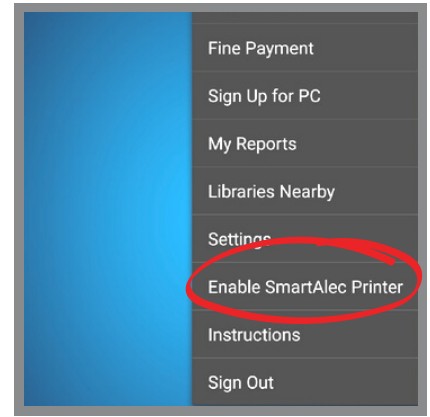

5

Click the three dots in the top right corner to open a menu of options

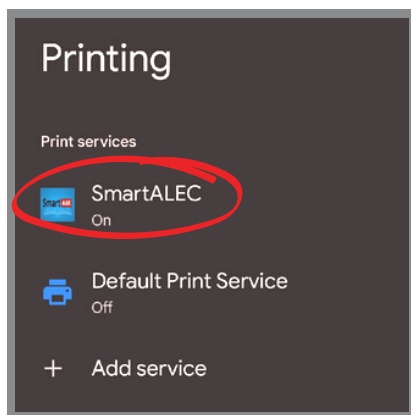

6

Select "Enable SmartAlec Printer"

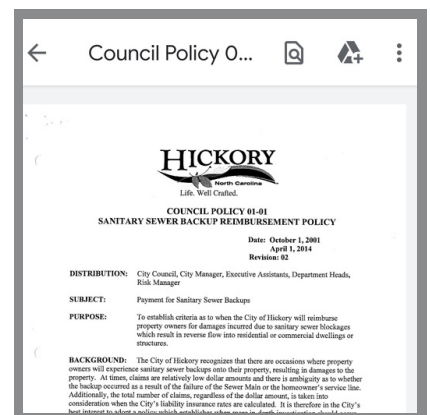

7

Your phone print menu will open, toggle Smart Alec "On"

8

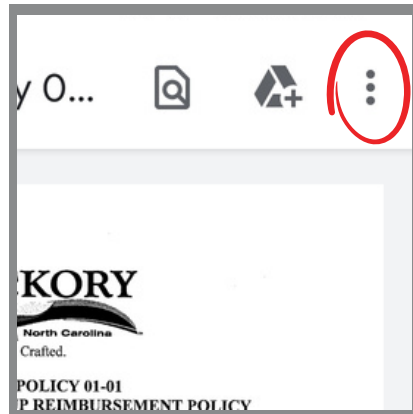

Exit the app and open the document to print

Wireless Printing Steps: Android

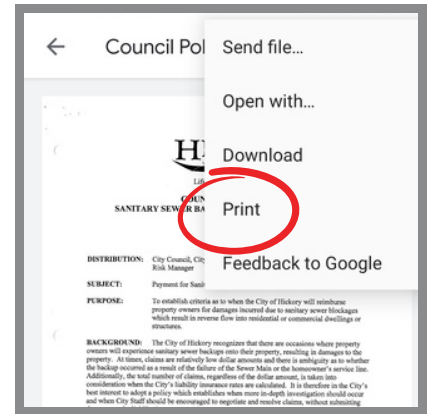

9

Click the three dots in the top right corner

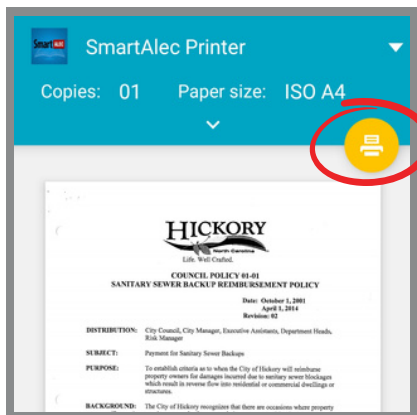

10

Select "Print" from the menu that appears

11

From the print preview screen, select the round print icon

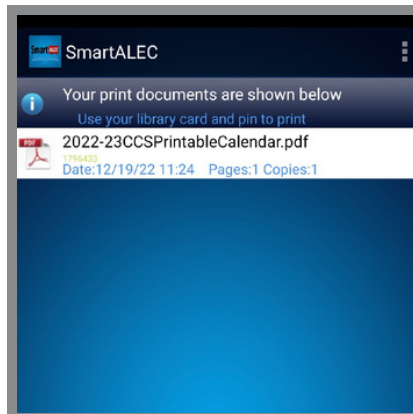

12

Allow Smart Alec service by toggling "Use print service" on

13

The document should now appear on the app

14

The document is now ready to print at any Library kiosk
