

Wireless Printing Steps: iOS

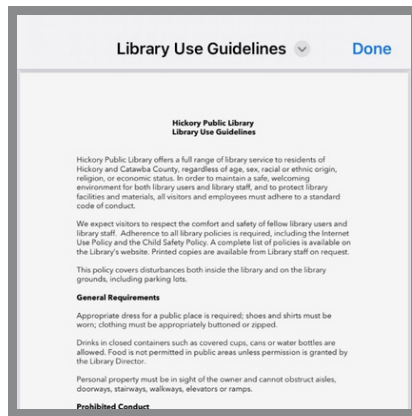

1

Download the Smart Alec app from the Apple App Store

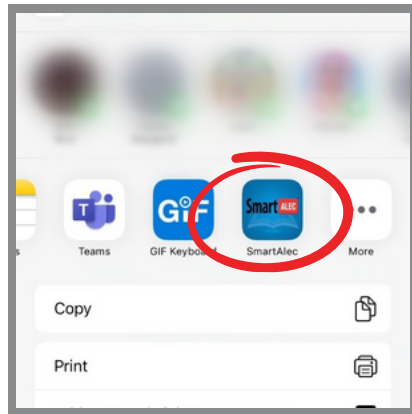

3

Open the document you want to print

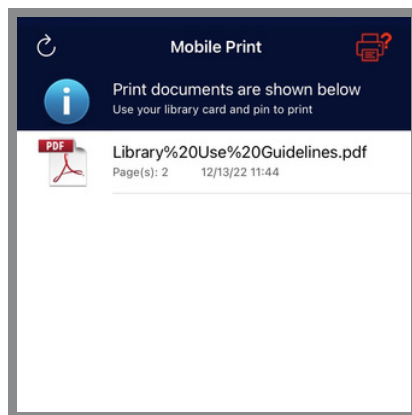

5

Scroll to find the Smart Alec icon and click on it

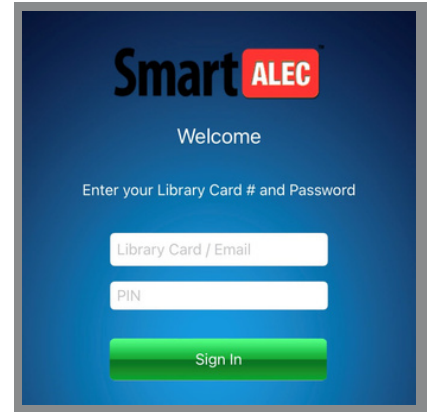

7

The document should now appear on the app

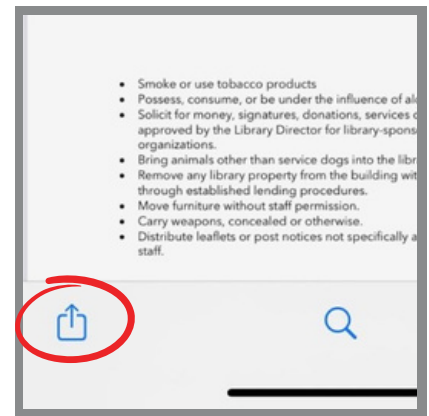

2

Log in using your library card number and PIN

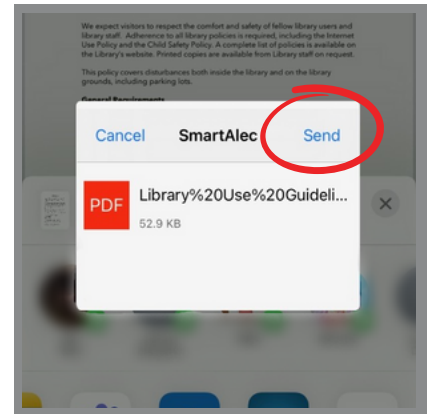

4

Click the "share" icon on the bottom left side of the screen

6

Select "Send" to upload to the Smart Alec app

8

The document is ready to print at any Library kiosk
