URGENT REPAIR PROGRAM ASSISTANCE POLICY

INTRODUCTION

The North Carolina Housing Finance Agency has approved the City of Hickory's grant request for funding to assist qualifying very low and low-income homeowners, residing within the municipal boundaries of the City of Hickory, in need of urgent housing repairs. The amount of \$75,000.00 shall be made available from the North Carolina Housing Finance Agency (NCHFA) to the City of Hickory to implement the City's "Urgent Repair Program 2020". The funds provided by NCHFA come from the North Carolina Housing Trust Fund. The City of Hickory shall provide an additional \$5,000 to be used in conjunction with these funds. The following assistance policy has been modeled from the guidelines prescribed by the North Carolina Housing Finance Agency for recipients of "Urgent Repair Program" funds:

1.0 GOALS AND OBJECTIVES

1.1 GOALS

The goals of the City of Hickory's "Urgent Repair Program 2020" ("URP 20") are:

1. To alleviate housing conditions which pose an imminent threat to the life or safety of very low and low-income homeowners with special needs;
2. To provide accessibility modifications and other repairs necessary to prevent displacement of very low and low-income homeowners with special needs, such as frail elderly and persons with disabilities;
3. To assist a minimum of Eight (8) eligible homes within the municipal boundaries of the City of Hickory.

1.2 OBJECTIVES

The objectives of the City's "URP 20" are:

1. To serve eligible households located within the municipal boundaries of the City of Hickory with urgent repair needs which cannot be met through other state- or federally-funded housing assistance programs;
2. To enable frail elderly and others with physical disabilities to remain in their homes by providing funding for essential accessibility modifications.

2.0 PROGRAM REQUIREMENTS

2.1 USE OF FUNDS

1. Only repairs that address imminent threats to the life and/or safety of occupants of the dwelling unit or accessibility modifications will be performed under the City's URP. It should be noted that all deficiencies in a home may not be rectified with the available funds.
2. "URP 20" funds must be used either for hard costs or for "URP 20" support associated with "URP 20" eligible repairs or modifications.

3. Eligible repairs must meet the goals as stated in section 1.1 above and rectify deficiencies including:
 - 1) combustion appliance and chimney hazards;
 - 2) electrical system hazards;
 - 3) plumbing system hazards;
 - 4) imminent structural system failures (e.g., porches, steps, and roofs);
 - 5) mitigation of environmental hazards such as lead-based paint, asbestos, or soil gases;
 - 6) repairs necessary to prevent the imminent displacement of eligible households;
 - 7) repairs designed to increase the accessibility of the unit to frail or disabled residents, including ramps, hand rails and grab bars, kitchen and bathroom adaptations and door alterations, etc.; or
 - 8) other repairs approved by the Agency on a case-by case basis.
4. Hard costs are defined, in the case of an independent private contractor performing the repair work, as the contract price; or in the case of City work crews performing the repairs, as the direct costs associated with the repairs including labor, materials, mileage, and tool rental.
5. The maximum amount of the loan will depend on the scope of work necessary to address the identified imminent threats to life and/or safety, and that will be determined by the city's rehabilitation specialist. There is no minimum to the amount of the loan; however, the maximum life-time limit according to the guidelines of "URP 20" is \$10,000.
6. Program funds must not be used:
 - 1) in conjunction with any source of state or federal housing assistance (CDBG, HOME, HPG, 504 grants, etc.);
 - 2) on any dwelling unit for which other sources of state or federal assistance are available at the time of the repair work; or
 - 3) on any dwelling unit for which other sources of state or federal assistance are likely to become available within six months following the completion of the repair work under the "URP 20".

2.2 PROHIBITED ACTIVITIES

1. None of the funds provided under the City's "URP 20" shall be used for any partisan political activity or to further the election or defeat of any candidate for public office.
2. There shall be no religious instruction conducted in connection with activities under the City's "URP 20";
3. The City will not discriminate against any person employed in the performance of the "URP 20", or against any applicant for assistance under the "URP 20" because of race, sex, age, creed, color, physical handicap or national origin. The City will ensure that applicants are processed and that employees are treated during employment, without regard to race, sex, age, creed, color, physical handicap, or national origin.

4. No employee, officer or agent of the City shall participate in the selection, or in the award or administration of a contract funded by the City's "URP 20" if a conflict of interest, real or apparent, would be involved.

2.3 FORM OF ASSISTANCE

1. The City of Hickory's "URP 20" funds shall be made available to qualifying owner-occupant beneficiaries in the form of a loan. Homeowners will receive an unsecured deferred, interest-free loan, forgiven at a rate of \$2,000 per year, until the principal balance is reduced to zero.
2. The City of Hickory shall use loan documents prescribed and provided by the NCHFA in the administration of URP assistance to qualifying beneficiaries.

2.4 ELIGIBLE HOUSEHOLDS

1. Only qualified low and very low-income owner occupants with special needs can be assisted under the City's "URP 20". A minimum of 50% of the City's "URP 20" funds shall benefit very low-income households with the remainder going to benefit low-income households.

3.0 CITY OF HICKORY’S “URP 20” PROGRAM REQUIREMENTS

3.1 “URP 20” PROGRAM SCHEDULE

The City’s “Urgent Repair Program for 2020” shall begin in September of 2020 or sooner, based on approval by NC Housing Finance Agency, at which time the City of Hickory’s Community Development Department shall seek applicants by making known to the public the availability of funding through published announcements in local newspapers, through the distribution of “URP 20” brochures, press releases, and announcements posted in public places such as the Municipal Building and Recreation Centers in eligible neighborhoods. The City’s “URP 20” program shall be completed by December 31, 2021, no exceptions.

3.2 GEOGRAPHICAL DISTRIBUTION OF “URP 20” FUNDS

Applications shall be accepted from all qualifying residents who live within the municipal boundaries of the City of Hickory.

3.3 BENEFICIARY SELECTION PROCESS

Approximately Eight (8) units will be assisted through the 2020 Urgent Repair Program. Applications for assistance will be accepted on a first come first-served basis. All applications, along with financial documentation, shall be delivered to the City of Hickory’s Citizens’ Advisory Committee regularly scheduled meeting on the 1st Thursday of each month. A minimum of 50% of the units assisted under the 2020 Urgent Repair Program must have income limits less than 30% of the area median. No units with stated income above 30% of the area median will be repaired until the 50% threshold has been met.

3.4 APPLICATION PROCESS

1. Media and personal contact shall be used throughout the City to encourage prospective beneficiaries to make application for “URP 20” assistance. The City of Hickory Community Development Department shall provide technical assistance to potential beneficiaries in completing applications for “URP 20”

funds. All applications, along with financial documentation, shall be delivered to the City of Hickory's Citizens' Advisory Committee. At regularly scheduled meetings, the Citizens' Advisory Committee shall review all eligible applications submitted, and shall prioritize applications to ensure that beneficiary distribution is consistent with the City of Hickory's "URP 20" application with NCHFA and the guidelines prescribed by NCHFA for grant recipients.

Applications shall consist of two parts:

- 1) Application for determination of eligibility;
 - 2) Work write-up and cost estimate.
2. Complaints concerning the City's "URP 20" program shall be in writing and addressed to the City of Hickory Community Development Department. A representative of the City of Hickory Community Development Department shall contact the person making the complaint and attempt to resolve the problem. A written response will be made within 15 working days of contact. If the complaining party is not satisfied with the response, he or she may file a complaint with the Citizens' Advisory Committee who will schedule a meeting with the complaining party. The decision of the Committee shall be final and will be made in writing within 5 days.

3.5 CONTRACT AND REPAIR PROCESS

1. The City's Rehabilitation Specialist will visit the homes of potential grant recipients to determine the need and feasibility of repairs/modifications. All parts of the home must be made accessible for inspection, including the attic and crawlspace, if any. The owner should report any known problems such as electrical short circuits, blinking lights, roof leaks and the like. The Rehabilitation Specialist will prepare complete and detailed work specifications (known as the "work write-up"). A final cost estimate will also be prepared by the Rehabilitation Specialist and held in confidence until bidding is completed.

Only repairs that address imminent threats to the life and/or safety of occupants of the dwelling unit or accessibility modifications will be performed under the City's URP. It should be noted that all deficiencies in a home may not be rectified with the available funds.

2. After approval of the work write-up, the homeowner will sign a formal agreement that will explain and govern the repair/modification process. This agreement will define the roles of the parties involved throughout the process.
3. The City is obligated under "URP 20" to ensure that quality work is done at reasonable prices and that all work is contracted through a fair, open and competitive process. To meet those very difficult requirements, the City will invite bids only from contractors who are part of an "approved contractor registry".
4. The City will maintain a list of contractors eligible to bid on work financed by "URP 20" funds (approved contractors registry). Such contractors must present evidence of their

rehabilitation experience, ability to complete work items in a workmanlike manner, possession of liability and workman's compensation insurance, ability to work with the homeowner and City staff, and to complete work on schedule. Contractors not on this list must supply evidence of their qualifications to the City and shall be reviewed for approval by the City. All contractors performing work under this program must possess other contracting licenses as required by the adopted building codes.

5. The City's bid package consisting of a detailed work write-up, contract document, cost proposal form, and instructions to the bidder will be mailed to a minimum of three contractors on the approved contractors registry who will be given a specific period of time in which to inspect the property and prepare bid proposals. The names of the invited contractors will be supplied to the homeowner. Each will need access to those areas of the house, in which work is to be performed, in order to prepare a bid. A bid opening will be conducted at the Community Development office at a specified date and time, with all bidders and the homeowner invited to attend.

After review of bid breakdowns and timing factors, the winning bidder will be selected. Typically, the contract or contracts will be awarded to the low bidder(s). In addition, the selected contractor's bid must be within 15 percent (15%) of the City's cost estimate.

All bidders and the homeowner will be notified of (1) the selection, (2) the amount, (3) the amount of the City's cost estimate, and (4) if other than the lowest bidder is selected, of the specific reasons for the selection.

6. The loan will be executed as well as the repair/modification contract. The contract for repairs will be let by the homeowner and will be between the homeowner and contractor.
7. A pre-construction conference will be held at the home or City of Hickory offices. At this time, the homeowner, contractor and program representatives will discuss the details of the work to be done. Starting and ending dates will be agreed upon, along with any special arrangements such as weekend or evening work hours and disposition of items to be removed from the home (such as old plumbing, etc.). Within 24 hours of the pre-construction conference, the City will issue a "proceed order" formally instructing the contractor to commence by the agreed-upon date.
8. The contractor will be responsible for obtaining any required building permits for the project before beginning work. The permit must be posted at the house during the entire period of construction. Program staff will closely monitor the contractor during the construction period to make sure that the work is being done according to the work write-up (which is made a part of the rehabilitation contract by reference) and in a timely fashion. Code Enforcement Officers will inspect new work for compliance with the State Building Code as required by the guidelines of "URP 20". The homeowner will be responsible for working with the contractor toward protecting personal property by clearing work areas as much as practicable
9. Contractors shall not be permitted any partial payment during construction. Upon completion of all (100%) of contracted work and the execution of the City of Hickory's "Certificate of

Final Inspection” and the “Owner’s Certificate of Satisfaction”, payment will be issued. Prior to payment the contractor shall execute a “Contractor’s Release of Liens”.

10. Contractors must supply lien waivers, signed by all any sub-contractors employed on the job and by all material suppliers from whom materials for the job were purchased, and warranties to the homeowner upon completion of work.
11. All Change Orders to the bid specifications must be approved by the homeowner, contractor and two representatives of the City. The change order must be reduced to writing as a contract amendment ("change order"). Loan funds shall not be advanced beyond the permitted maximum to cover Change Orders.
12. Following construction the contractor and a City Community Development Staff member will sit down with the homeowner one last time. At this conference the contractor will provide any owner's manuals and warranties on equipment. The contractor and the City Community Development Staff member also will go over operating and maintenance requirements for any new equipment installed and discuss general maintenance of the home with the homeowner. The homeowner will have the opportunity to ask any final questions about the work.
13. Once all work has been completed in accordance to the Contract and the homeowner has signed a Certificate of Satisfaction, the job will be closed out.
14. In the event of any dispute between the homeowner and the contractor concerning the rehabilitation work, City Community Development Department staff will work with both parties to negotiate a satisfactory solution. If a mutually satisfactory solution cannot be found, the Citizens’ Advisory Committee will have final authority on when the job has been satisfactorily completed.
